By Staff Report

The horticulture therapy program at Bryce Hospital has bedding plants for fall gardens.

Cabbage, collards, kale, and broccoli are ready to plant, along with ornamental kale and cabbage and dianthus. Fall chrysanthemums will soon be blooming and pansies will be ready in the next few weeks, The plants can be purchased at the Bryce Hospital greenhouse at 1651 Ruby Tyler Parkway.

All visitors must check-in at the Bryce police office. Call 507-8395 for more information.
