MONTGOMERY – September is National Recovery Month. The observance celebrates people in recovery, lauds the contributions of treatment and service providers, and promotes the message that recovery is possible.

This year will also see the return of last year's highly successful inaugural Celebrate Recovery Challenge, honoring the best Recovery Month event in Alabama as chosen by the public. Last year more than 8,600 votes were cast, and The Addiction Coalition in Birmingham was crowned the winner. This year's voting takes place October 8-13. More information can be found on the Alabama Department of Mental Health website at www.mh.alabama.gov.

If you or someone you love struggles with opiate addiction, experience withdrawal without the medication, or take more medication than prescribed, you can call Shoals Treatment Center at 256-383-6646 for a screening.

In celebration of National Recovery Month, STC will waive intake fees. Medication fees will apply.

Shoals Treatment Center is located at 3430 N. Jackson Hwy. in Sheffield. Call 256-383-6646 for more information.
